27 The points on which I am called upon to give my opinion, as I understand them from para 22 above, are:

(a) whether the pay of Lady Medical Pupils who have entered into an agreement to serve the State in consideration of their having granted scholarships etc., may be fixed at Rs.50/- from the date of their reporting for orders after obtaining the qualificatio till they are absorbed in the sanctioned cadre of Sub Assistant Surgeons. I agree

(b) Whether the starting pay of Lady Sub Assisttan Surgeons may be raised to Rs.75/- from the present minimum which is Rs.50/-. The mere raising of the

minimum and keeping the maximum of the scale at Rs.90 with two prize appointments on Rs.100/- would mean that the period required by an officer to rise from the minimum to the maximum will be reduced by the number of years now required for rising from Rs.50/- to Rs.75/- or 15 years. In other words, they would reach the maximum of Rs.90/- in 9 years, after which they cannot have any more promotion to expect during the remaining 21 years of their official life except a vacancy in the two prize appointments on Rs.100/- This cannot be said to result in any material improvement in the prospects of Lady Medical subordinates, considering that even Lady L.M.P's can get a pay of Rs. 100 to Rs.150/- outside, according to circumstances. In our own State also we have not been able to secure private lady L.M.P's for less than Rs.100/- in the grade of Apothecaries It is naturally hard on the local Lady Medical Pupils that they should be kept in the lower scale of pay merely on account of their being State stipendiaries.

I would earnestly request that question of raising the scale of pay of Lady Medical subordinates to Rs.75-5-175, with 2 prize appointments on Rs.200, as already suggested by me, may once for all, be kindly sanctioned.

Complains that his Son, a passed medical pupil has been started on Rs 35/- p.m., while at the time of entering into a ~~bond~~ contract with Govt. in connection with his scholarship, a Sub Asst. Surgeon was being given a starting pay of Rs 50/-.

Prays for either increase of pay to Rs 50/- or release from the bond.

The humbled petition of
S. Venkataramanaroo
Pleader
Mandya
Mysore District

1-24-106

May it please your Excellency,

Your petitioner most humble respectfully begs to represent as follows:—

That his son by name S. V. Srinivasarao is a passed medical pupil, in Mysore Govt. Service from 10—11—1924, serving under the District Medical Officer Kadur District.

2. That the aforesaid Srinivasarao was entertained as a Stipendiary Student in 1920. Your most humble petitioner stands surety for the aforesaid Srinivasarao in respect of (1) Studies (2) his passing of the Exams (3) his serving the Govt. for 5 years thereafter.

(17)

3. That when the aforesaid Srinivasa Rao entered into Contract with the Senior Surgeon, he believed he would be started on Rs 50/- which was the pay of every passed medical pupil prior to October 1924.

4. That 10 students passed in October 1924 and they were started on Rs 35 on some Verbal assurances given by the Senior Surgeon, which amounted to an expectation to be given a pay of Rs 50 shortly.

5. That nearly 6 months have elapsed without being given Rs 50. The enclosed order from the office of Senior Surgeon does not give any hint that, shortly, the passed Sub Asst Surgeons will be given Rs 50/-

6. That the order of the Senior Surgeon's office means that there are a No. of Sub Asst Surgeons on a pay of Rs 50/- and if any of them should retire - under 55 years rule (having been born in 1870) those on Rs 35/- will fill the Vacancy - It is understood that the expected increase of salary is not at hand and it may be far off. Because retiring men will be 2 or 3 in a year and for 10 students to be provided, it will be 4 or 5 years.

7. That, in the present instance, a passed medical pupil is given only Rs 35/- and not Rs 50/- which the pupil had in view when he entered into Contract with the Senior Surgeon.

With reference to his letter dated 13th April 1925, requesting that for reasons assigned therein, his son Mr. S. V. Srinivasa Rao (passed Medical Pupil) may be promoted to Rs.50/- etc., Mr. S. Enc. One

From

B. Mahomed Usmon, Esq., L.M.S.,
Senior Surgeon with the Government of
H.H.the Maharaja of Mysore, Bangalore.

Med 1-24-132

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments,
Bangalore.

Sir,

With reference to your letter No.L.8721/Méd.1-24-113, dated 8th June 1925, calling for information on certain points raised in the petition of one Mr. S. Venkatarama Rao, Pleader, Mandya, praying that his son, who is a Passed Medical Pupil, may be either started as a Sub Assistant Surgeon on Rs.50/- according to the terms of his bond or given freedom to try for employment elsewhere, I have the honour to forward herewith a copy of the form of Bond executed by the Petitioner's son and to state as follows:

Under condition (2) the Medical Pupil has agreed to be bound by the terms and conditions laid down in theRules for the grant of Sub AssistantSurgeon's scholarships, issued by Government with Government Order No. 13139-40 Med.250-12-7, dated 27th June ~~1924~~ 1914, which form part of the agreement. Rule 9(a) of the said rules, which defines the "prospects open to successful pupils" lays down that stipendiary pupils will, on passing the final examination, be entitled to a pay of Rs.25/- per mensem (subsequently raised to Rs.35/-) as "Passed Medical Pupils" with effect from the date of their being posted for duty and until they are promoted to the grade of Sub Assistant Surgeons."

The freedom of the pupil in question cannot, therefore, be claimed as a matter of right, either by the pupil or his

his sureties. On principle, the pupil ought to be compelled to serve on the scale of pay it was open to the department to offer him, or to refund the amount spent by Government on his medical education.

As regards the point whether ladies should be started on higher pay as is the case with Lady Apothecaries, I would invite a kind reference to para 3 of my letter No. C. 2715-3, dated 21st May 1925, which ended with Government Order No.L.269-270/Med.2-24-71, dated 11th July 1925 permitting the grant of a pay of Rs.50/- to Mrs. M. Parvathamma, a Passed Lady Medical Pupil, and state that they should be started on Rs.75/- per mensem in the cadre of Lady Medical Subordinates as proposed in the re-organisation of the Women's cadre of the Department.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Sir,

With reference to your letter No. L. 3664 dated 21st November 1925, enquiring what the extra cost will be if passed lady medical pupils are started on a pay of Rs.50/- instead of on Rs.35/-, I have the honour to state that the extra cost on each such lady pupil will be Rs.15/- per mensem or Rs.180 per annum. The total number of passed Medical Pupils that could be borne in the Department at any time as at present fixed, viz., 18, is supposed to include pupils of both sexes. The number of lady pupils must depend on the number passing and waiting for absorption in the sanctioned cadre. There are none at present so waiting. On the contrary, hands are urgently required for the female dispensaries and Maternities to be opened at Saklespur, Mudigere, Hole-Narasipur and Channapatna Nanjangud, and that to be reopened at Thirthahalli.

I have the honour to be,
